## Plant Sale/Coffee Morning

**Saturday 21<sup>st</sup> May**

Along with additional sales following the Civic Service on May 22<sup>nd</sup> a total of over £850 was raised for Send-a-Cow, meaning that we have bought another whole cow to add to our 'herd' of donations and are well on the way for yet another.

Well done to everyone involved.

## Sam Hudson

We congratulate Sam on his appointment as Director of Music of Blackburn Cathedral, starting September 2011.

Whilst we are very sorry to see him and Rebecca leave us, this is a well deserved promotion and we wish them both well in their new surroundings. We will have an opportunity to say "thank you" and goodbye on Sunday July 17<sup>th</sup>.

In the meantime we are already in the process of seeking a suitable replacement – possibly in conjunction with Haileybury and hope to have someone in post by September.

## **Fête at Holy Trinity, Bengoe**

On Saturday, 25th June, between 10 a.m. and 3 p.m. there will be a Fete at Holy Trinity Church, Bengoe, in aid of their charities. Holy Trinity have adopted The Friends of Aschiana (UK) as their overseas charity for this year. We shall have a stall there, and hope to have a new consignment of scarves etc from Kabul if they arrive in time.

On Sunday, 26th June, John has been invited to describe the work of Aschiana in place of the sermon at the Morning Service. This is a kindly move on the Vicar's part. John will tell the congregation about the aims and activities of The Friends of Aschiana (UK) and of Aschiana itself, who are supporting some of the most disadvantaged children in the world.

Any support you can give would be most welcome and please tell your friends. Half of the proceeds from the fete will go to Aschiana.

## **HOST**

Host is an organization that seeks to introduce overseas students who are studying in the UK to families in the UK. It has been running for 25 years and we have enjoyed meeting people from many parts of the world through them. A recent one was a lady wildlife vet from Mexico (she spoke perfect English) who treated one of our hens!

Host are suffering from a lack of funding under the economic squeeze. They will be holding a Coffee Morning at The Methodist Church, Ware Road, on Saturday, 18th June, 10.30 — 12.30 (Parking at Tesco's or car park off Townshend Street). Do support this event if you can, and take along any books, DVDs etc, cakes or plants that could be added to the stalls. Host does a

magnificent job. Welcoming international students to the homes of local residents, promotes international understanding and goodwill between nations.

Thank you.

*John and Fiona Earle*

## **Women who know their place**

Barbara Walters, of 20/20 (ABC's prime time news magazine programme), did a story on gender roles in Kabul, Afghanistan, several years before the Afghan conflict. She noted that women customarily walked five paces behind their husbands. She recently returned to Kabul and observed that women still walk behind their husbands. Despite the overthrow of the oppressive Taliban regime, the women now seem happy to maintain the old custom.

Ms Walters approached one of the Afghani women and asked, 'Why do you now seem happy with an old custom that you once tried so desperately to change?' The woman looked Ms Walters straight in the eyes, and without hesitation said: 'Land Mines.'

## **National survey reveals state of UK churches**

The results of the National Churches Trust Survey, recently published, was open to all of the estimated 47,000 churches, chapels and meeting houses in the UK. It has found that these buildings play a key role in local life as venues for volunteering and community activities – but need support in undertaking repairs and maintenance.

The survey is unique in revealing not just the physical condition of churches, but also the way they are managed, funded and used by their communities.

Here are just some of the findings of the survey:

- More than 90% of the UK's church buildings hold a service at least once a week

- More than 50% are regularly open to the public beyond their worship services.
- 1.4 million members of church congregations volunteer in any capacity in their church building along with an estimated further 200,000 people from the wider community.
- Nearly half of the UK's church buildings are used for arts, music and dance activities.
- More than half of the UK's church buildings facilitate activities such as nurseries, youth groups and additional activities for young people.
- More than two-fifths of the UK's church buildings are used for support services such as homelessness, drug & alcohol misuse, finance & debt, parenting & mental health. ## Last minute

A minister waited in the queue to have his car filled with petrol just before a long holiday weekend. The attendant worked quickly, but there were many cars ahead of him. Finally, the attendant motioned him toward a vacant pump. "Reverend," said the young man, "I'm so sorry about the delay. It seems as if everyone waits until the last minute to get ready for a long trip." The minister chuckled, "I know what you mean. It's the same in my business."
