## Ghostbusters

An opportunity to open All Saints  
to more people

*"What a wonderful building – I've lived here all my life and never been in before".*

Our church is regularly used for concerts, meetings, award ceremonies and other external events as part of our engagement with the wider community of Hertford.

When we were approached regarding the occasional showing of suitable films we thought it a good opportunity to open our doors to even more people to come in and discover something of what we are about. This is an experiment so please do let us know what you think. Rest assured that we do have a say in what is/isn't shown.

## HOST UK

Room at the inn? Small charity HOST is seeking friendly people who would like to learn more about other countries and cultures and share their home life with adult international students at UK

universities. Young adults from many countries would love to have a short homely break and discover the real life of this country.

Host Kit Millington-Hore wrote "Meeting students from around the world is hugely fulfilling and satisfying. Watching their pleasure as you introduce them to our ways of living, particularly over Christmas, is extremely rewarding."

Visits can be for a day, weekend, or four days at Christmas.

Offering a Christmas invitation to someone who would otherwise be alone on a University campus can make a big difference.

Invitations are urgently needed from volunteer hosts, no matter their age, or how far they live from a university.

To find out more, or to be put in touch with your local organiser, please visit [www.hostuk.org](http://www.hostuk.org) or call 020 7739 6292.
