## Bible Book Club

For our July meeting (Tuesday 3<sup>rd</sup>, 8.00 in the meeting room) please take a look at Acts Chapters 12 – 17.

We will see how the geographical focus of the story moves away from Jerusalem and out into Syria and Asia Minor (modern Anatolia in Turkey). Peter and the other apostles fade into the background as St Paul and his missionary journeys take centre stage.

We will see how the message begins to adapt as Paul and his companions engage with Greek communities with no connections to Jewish tradition.

All welcome!
